

Review of the educational program
5B010300 «Pedagogy and Psychology»
Educational program level: Bachelor's degree

The educational program 5B010300 «Pedagogy and Psychology» is a system of documents developed by Pavlodar Pedagogical University, according to the regulatory documents of the Ministry of Education and Science of the Republic of Kazakhstan and taking into account the needs of the labor market.

Educational program 5B010300 «Pedagogy and Psychology»

It is developed in accordance with the Standard Curriculum of the specialty, the classifier of specialties of higher education (bachelor's degree), the professional standard of the teacher, the Dublin Descriptors, consistent with the European Qualification Framework.

The educational program includes the objectives of studying modules in the cycles of general education and basic disciplines. The objectives of the study of modules in the cycles of profile disciplines are reduced to the formation of the competitiveness of graduates in the labor market for the fastest possible employment in the specialty and professional growth, the choice of individual programs in the field of education and professional competence, which includes the formation of skills of organizations of scientific and pedagogical research, psychological and pedagogical diagnostics. The qualification characteristics of the graduate of the educational program in various fields of professional activity, typical tasks of professional activity are given.

The competencies - key, professional, special and personal-are described in great detail. The authors provide annotations of the general education and basic disciplines studied, the knowledge of which will allow future specialists, teachers and psychologists to work in various educational institutions, such as preschool institutions, schools with different training programs, colleges; in medical institutions: polyclinics, hospitals, drug treatment centers, in the rehabilitation center «Samal» and in educational institutions of additional education, as well as in the workplace.

Acting Director of Secondary school №35
