The accepted reports will be published in the form of a collection of conference materials in electronic format. The Organizing Committee reserves the right to reject materials that do not correspond to the topic of the conference, scientific standards or technical requirements. The Organizing Committee does not involve editing the text of publications. The author is responsible for compliance with scientific and research ethics for the submitted publication.

REQUIREMENTS FOR THE DESIGN OF THE REPORT

1) The text of the report of no more than 6 pages in the MS WORD editor (6.0 or 7.0). The total volume includes illustrations, appendices and a list of sources. The file is given a name: for example, "Full name of the author (initials and surname) _name of the article";

2) Font - Times New Roman; Size 14; line spacing - single, margins: left - 3 cm, the rest - 2 cm. Paragraph indentation is set automatically (red line 1.25 cm). It should not be decorated with multiple spaces and tabs. **Pages are not numbered;**

3) At the top of the page – the title of the report is given in capital letters (**in bold**), under it, separated by a space, the initials of the name and patronymic, surname, place of work;

4) Abstract in Kazakh, Russian, English **in italics** (no more than 100 words);

5) Key words (no more 7);

6) References and references are indicated at the end of the text of the article.

The links are in-text in square brackets: [1, p. 43-45], if several sources need to be specified in the link, they are given in parentheses separated by semicolons: [2, p. 1; 19, p. 10-12]. **Illustrations** (high-quality black-and-white drawings and clear photos with an extension of at least 300 dpi) are **provided as separate files** (.jpg or .tif), the name of which indicates the surname of the author and the number of the drawing.

In the text of the article, in the place where the author plans to place the illustration, an inscription is given that should contain:

- Type ("Figure", "Table", etc.) and serial number in Arabic numerals (without the number sign);
- The name of the illustration;
- For maps and drawings – an explication that explains the symbols, scale.

In the text, references to illustrations and appendices are given in parentheses: (Fig. 2), (see Appendix 1) If there are appendices in the article, they should be numbered and titled. The details of the source must be specified at the end of the application. If there are abbreviations in the text or in the list of sources and literature, then they must be deciphered in a **special list of abbreviations** at the end of the article.

Sample design of the material:
