

**MINISTRY OF EDUCATION AND SCIENCE OF THE REPUBLIC OF
KAZAKHSTAN
PAVLODAR STATE PEDAGOGICAL UNIVERSITY**

INFORMATION LETTER №2

Dear colleagues,

Pavlodar State Pedagogical University is going to hold an international research and practical conference “VI Kapenov Readings” devoted to the 90th Anniversary of the great scientist-teacher G. Kapenov on the **18th of May, 2018.**

Headmasters, officials, representatives of scientific, industrial and educational spheres in Kazakhstan and abroad are invited to the conference.

The conference’s objective is to discuss issues, problems and perspectives for modernization in education.

CONFERENCE LOCATION

The conference will be held on the **18th of May, 2018** at 60, Mira Street, Pavlodar.

Participants’ registration: 9.00-10.00am.

Beginning: 10.00am

All the expenditure connected to the conference should be fulfilled by a participant.

THE MAIN TRENDS OF THE CONFERENCE:

1. Innovations in the theory and methodology of teaching languages in a foreign audience.
2. Multilingualism, trans-linguism and transculturation in the world: theoretical and applied aspects.
3. Modern technologies and methods in the teaching of physical, mathematical, biological and humanitarian disciplines.
4. Training and professional development of the teacher in conditions of digitalization of education.
5. Actual problems of education in the updated content.

Within the framework of the conference, we intend to conduct plenary and sectional meetings.

Working languages at the conferences are Kazakh, Russian and English.

We plan to publish **an electronic collection of scientific articles** prior to the beginning of the conference.

Participants will be sent an electronic variant of the volume in PDF-format to their e-mails (on participants’ inquiries).

All the materials of the conference including a registration form, an article and payment receipt and an application are to be sent to the department of research work arrangement at PSPU (60, Mira Street, office 116, Pavlodar) or to the e-mail: conference_pgpi@mail.ru with the letter topic “Kapenov Readings VI”. A file will be given a name, e.g. A. Iskakov_section 1_an article.

An article and a registration form are to be sent in one letter in paper and electronic variant.

To take part at the conference we ask you send a complete registration form and an article on the electronic medium before the 23th of April, 2018 to the address: department of research work arrangement, 60, Mira Street, office 116, Pavlodar, 140002. All the expenditure connected to the conference should be fulfilled by a participant.

REQUIREMENT FOR MATERIAL DESIGN

1. Material should not exceed 5 pages and should be printed in MS WORD (6.0 or 7.0) and then given in paper and electronic variants.

2. Font: Times New Roman; 14 size of type, interline interval is 1.0; margins: left – 3sm, right, upper and below – 2 sm.

The title of an article with capital letters should be placed on the upper part of a page, below the initials of the first, second and surnames with the capital letters using a space bar. Also there an author should write his workplace, address, then the text of an article with the same width; indentation is 1,25.

3. Notes, literature (not least than 5 names) are written at the end of the article. Literature should include only the resources which are mentioned in the text. Notes are written in square brackets: index # of resource and pages (e.g. [1, 134-135p.]) or notes to the Internet-resource.

4. Materials sent after the deadline or wrongly designed will not be considered and sent back.

Literature

1. Author. Article title//Journal title – publishing year, - V. 26. - #3). – page (e.g. 34p. Or 15-24pp.).

2. S. Andreyeva. Book name. – Publishing place (e.g. - Moscow): Publishing (e.g. Science), publishing year. – The total number of pages in a book (e.g. 239pp) or a certain page (e.g. 67p.).

3. I. Petrov. Dissertation title: dis. Candidate of pedagogical sciences – M.: The University name, year. – number of pages.

4. C.Christopoulos, The transmission Line Modelling (TML) Method, Piscataway, NJ: IEEE Press, 1995.

Notes/references inside the text should be placed in square brackets: [1,1p-1] or [14, 43-45pp]. If the reference consists of some resources, the latter should be written in brackets with semi-colon: [2, 1p.; 19; 10-12pp].

Illustrations (black-and-white drawings of good quality and sharp pictures with the extension at least 300 dpi) should be sent as separate files (.jpg or .tif). Don't forget to write the author's surname and drawing ##.

If an author wants to place an illustration in the text, he should write the following:

- Type (“drawing”, “table”, etc.) and the index number using Arabic digits (without №-sign);
- Title;
- For maps and drawings an author should write an explication with the explanation of symbols and scale.

Reference to illustrations and attachments in the text should be given in round brackets (drw.2), (attachment 1). All attachments must be given a number and a title. At the end of each attachment an author must indicate the resource. If the text contains any contractions, they must be decipher in the particular “**contractions list**” at the end of the article.

**SOCIAL PARTNERSHIP AS A FACTOR OF ADVANCED DEVELOPMENT IN
THE REGIONAL SYSTEM OF EDUCATION**
